MACHINES AND EQUIPMENT  
FOR THE BEVERAGE INDUSTRY

Small performance ranges

## in the case, quickly and economically

Have you had to go to the trouble of manually packing small quantities or special bottle types up to now? Or do you simply not have the money to invest in expensive machines? This is why RICO offers both its **manual packing heads** and the **UNO unpacking and packing machines**, which are good value solutions that allow you to automate the packing anyway

Unpacking and packing  
machine UNO

from  
69 000 €

20-piece manual packing head  
for 0.5 l Euro bottles

Manual  
packing head

from  
4 800 €

### Your benefit:

- + **Durable**  
all packing heads with RICO patented long term bottle grippers LZT (robust plastic turned part, not an injection moulded part)
- + **Simple replacement of wearing parts**
- + **Simple operation**  
using the manual valve and balancer
- + **Secure gripping**  
of the bottles
- + **Customised**  
planning that is specific to each customer and machine
- + **Great performance**  
Unpacking and packing machine UNO:  
7 200 bottles/hour

MACHINES AND EQUIPMENT  
FOR THE BEVERAGE INDUSTRY

## RICO packing heads and packing grippers keep their promises.

**Special manual packing head**  
to move two six-pack packages into pin-partitioned crates

## EVERYTHING FROM A SINGLE SOURCE

Thanks to our integration into the **PÜTZ GROUP** and the resulting **synergy effects** we are able to offer you not just machines and equipment for the beverage industry, but also the appropriate testing technology.
