

PACKAGING AND PALLETIZING CARTONS AND CRATES

Packaging solutions for the entire process chain

Palletizing robot with vacuum suction grippers

We plan in accordance with the requests and requirements of our customers as well as local conditions – in the smallest spaces if necessary!

Carton closer

Carton erector

Your benefits:

+ We offer both **series and layer palletizing systems**

+ **Space-saving, low-maintenance and long lasting designs**

+ **Fast format adjustment and low consumption values**

+ All machines **can be combined** with our crating machines, carton erectors and carton closers

PACKAGING AND PALLETIZING CARTONS AND CRATES

Optional:

Empty pallet magazine in different designs

Transport systems

Pallet storing positions

EVERYTHING FROM A SINGLE SOURCE

Thanks to our integration into the **PÜTZ GROUP** and the resulting **synergy effects** we are able to offer you not just machines and equipment for the beverage industry, but also the appropriate testing technology.

FOR OVER 40 YEARS

we have been successfully producing complex, customer-specific individual machines and complete systems for the beverage industry.

We will get your production on the path to success.

We look forward to receiving your request!
